Dear Sir:

On August 26, 2005, Applicant filed an information disclosure statement and PTO form 1449 which contained a typographical error.

Specifically, under "Foreign Patent Documents" on form 1449, a complete English translation was submitted with Japanese patent no. JP 10-233511 (**not** an English abstract). Accordingly, we are submitting a new 1449 form with this information. No new material is being added.

If any fee is required in connection with this matter, please charge Deposit Account no. 50/1039.

Respectfully submitted,
